CCSI 1 RULES

The Athlete Media Requirements will apply.

CCSI 4 FEES

- CCSI 4.1 World Sailing does not require MNAs or competitors to lodge damage deposits prior to racing. By entering the Championships, MNAs expressly agree to follow and comply with this damage system without delay or dispute.
- CCSI 4.2 By entering a competitor in each Event, an MNA is liable on behalf of their competitor for up to € 250 (One Person Dinghy and Windsurfer Events) or €350 (Two Person Dinghy, Skiff and Multihull Events) of damage costs per incident. An “incident” is each separate instance of damage being identified by the Organizing Authority or its representatives.
- CCSI 4.3 The World Sailing Technical Delegate, on behalf of the Organizing Authority, will make all decisions on liability or the quantum (amount) of any damage. Subject to rule 62, the decision of Technical Delegate is final and MNAs and competitors agree to accept it without dispute.
- CCSI 4.4 If an MNA is assessed liable for damage costs, the Technical Delegate will issue a damage notice and send it to the MNA Representative at the event. The MNA representative shall pay the amount stated on the damage notice to the Organizing Authority prior to any further participation in the Event.
- CCSI 4.5 Failure to comply with a damage notice is a breach of this Appendix and the Technical Delegate may take any of the following actions:
- a. disqualify the competitor in question (and any other competitors from that relevant MNA) without a hearing from any races sailed;
 - b. exclude the competitor (and any other competitors from that relevant MNA) from further participation in the Event; and
 - c. re-allocate any prizes immediately to other competitors.
- This amends RRS 63.1.
- CCSI 4.6 The Technical Delegate may amend or cancel a damage notice at any time and may reinstate any competitors disqualified or excluded.
- CCSI 4.7 In the event any damage notice is not paid by the end of the Championships, World Sailing will issue an invoice for the same amount to the MNA. Failure to settle this invoice will mean that the MNA is not in good standing with World Sailing and may be suspended from World Sailing membership by the World Sailing Board.
